Re: CP71C

To Whom It May Concern:

This letter is in reference to Notice CP71C which refers to the 2006 Tax Return. You prepared a fabricated and fictitious return, a 1040A. We prepared a 1040 for the Year 2006 which was sent to Atlanta, Georgia about 9 years ago. There was no tax owed. If you have any questions, we can resolve this in **tax court**.

Regards

Dennis Brooks
